

## Weather Information

The winter season can bring many unpredictable problems for our school district and facilities. Snow storms and power outages may cause delays and/or cancellations. With this in mind, we remind you to listen to local radio and television announcements as they become available. We will do our best to place cancellations on the air as quickly as possible.

Listed below are our direct media connections so you have the most reliable and up-to-date information. Please keep in mind that on those days with numerous cancellations, public announcements may take time to be placed on the air. We will work quickly with our facilities and transportation departments, as well as local public safety departments, to make the best and safest decisions for our students. Thank you for your patience.

Follow these instructions for quick, personal notification of school delays and closings by email, pager, or cell phone.

Sign on to [www.woodtv.com](http://www.woodtv.com):

1. Top left hand corner, click "School and Event Closings".
2. Click "Email School Closings".
3. Click on "Registration".
4. Key in first and last name, email address, verify email address, password, and verify password.
5. Click "Register".

The system will then prompt you to sign on with your email and password you just registered with.

1. Click "Add Schools".
2. Click "County" (Calhoun).

3. Click “Add” next to Harper Creek Schools.

The system will indicate “Harper Creek Schools Successfully Added to your list”.

You will now be notified by email, pager, or cell phone (depending on the way that you set your notification system) as soon as the school contacts WoodTV 8 in regard to Harper Creek School District’s delays and closings.
