Harper Creek Community Schools Return to In-Person Instruction and Continuity of Services Plan

District/PSA Code Number: 13070

District/PSA Website Address: www.harpercreek.net

District/PSA Contact and Title: Mr. Rob Ridgeway- Superintendent

Under the American Rescue Plan: Elementary and Secondary School Emergency Relief III (ARP: ESSER III) local districts are required to develop and maintain a Return to In-Person Instruction and Continuity of Services Plan. This plan outlines and details the district's plan for a safe return to, or maintenance of, in-person instruction and must include information regarding the district's implementation of the Center for Disease Control's (CDC's) most current guidance at the time of development. The plan focuses on removing barriers and implementing supports that achieve safety, social-emotional well-being, and academic success for students. We have used resources from the following educational organizations:

Harper Creek Community Schools is committed to providing high quality in-person instruction with a viable curriculum for all courses, and has implemented practices detailed below in order to maintain the in-person learning environment in order to support the whole child development: academic and social emotional. Staff at Harper Creek work to continuously support the social-emotional and mental health needs of students across the district in Developmental Kindergarten through twelfth grade. Utilizing available grant funds, the district has worked to increase programming, support and staffing to support these needs beginning in the 2021-22 school year. Hiring has been ongoing and we work to continue to increase staffing in this area. In addition we have run summer programming and credit recovery for our students most in need.

The District may make adjustments to this plan in response to information learned regarding current and future variants of COVID-19 or other communicable disease and transmission rates in individual buildings, across the district, or if the risk of severe illness, hospitalization, or death increases. If such adjustments are needed, the plan will be shared again for public input. The plan will also be reviewed every six months during the life of the ARP ESSER III grant and updates will be completed if needed. The plan will be shared for public input during those intervals as well. The district will comply with any and all local, state, and federal mandates/orders.

Instructional Services	
Continuity of Instructional Services	<p>Elementary (Grades DK - 4th) Elementary students attend school five full days in-person on Monday, Tuesday, Wednesday, Thursday, and Friday. This mode of instruction will remain in effect for the remainder of the school year. Families who preferred remote learning were given the option to sign up with our virtual online schooling. These students will remain in virtual learning until their families request a change of placement. Changes are considered at the end of each semester.</p>
	<p>Middle School (Grades 5th - 8th) Middle school students attend school five full days in-person on Monday, Tuesday, Wednesday, Thursday, and Friday. This mode of instruction will remain in effect for the remainder of the school year. Families who preferred remote were enrolled in asynchronous learning that is aligned with the courses taught onsite. These students will remain in virtual learning until their families request a change of placement. Changes are considered at the end of semester. These changes were considered providing the switch was supported by the student's Educational Development Plan.</p>
	<p>High School (Grades 9th-12th) High School students attend school five full days in-person on Monday, Tuesday, Wednesday, Thursday, and Friday. This mode of instruction will remain in effect for the remainder of the school year. Families who preferred remote were enrolled in asynchronous learning that is aligned with the courses taught onsite. These students will remain in virtual learning until their families request a change of placement. Changes are considered at the end of semester. These changes were considered providing the switch was supported by the student's Educational Development Plan.</p>
Health and Safety Protocols	
COVID-19 Testing	<p>Testing will not be required but test kits may be offered to families if provided by the State. Athletic testing will not be required unless mandated by the MHSAA or a local, state, or federal agency and/or a sanctioning body</p>
Cohorting	<p>Mixing of student groups will be permitted. The District may consider temporarily restricting mixing of student groups where feasible as deemed necessary based on the local conditions.</p>
Face Coverings (Masks)	<p>Staff, students, volunteers, and visitors may wish to wear a face covering regardless of the current level of community transmission and are supported in doing so. The District will abide by all laws, lawfully executed orders, regulations, etc. pertaining to facial coverings.</p>
Facilities: Cleaning, Disinfecting, Ventilation	<p>The District will follow regular cleaning and disinfection procedures. Additional cleaning and/or disinfection procedures within a classroom, school, or across the district will be implemented as needed based on local conditions. The District will utilize MERV-13 air filters to improve ventilation in school buildings.</p>

Food Services	Normal food service operations will occur. Additional health and safety protocols may be implemented as required by the Oakland County Health Department.
Hand Hygiene & Respiratory Etiquette	Proper hand hygiene and respiratory etiquette are encouraged and expected. Supplies, including hand sanitizer, will be maintained in order to facilitate proper hand hygiene.
Health Screening & Student Illness	Parents/guardians are encouraged to conduct a daily wellness check to ensure students are well enough to attend school. Students should not be sent to school when they are ill. A child who has had a fever or is vomiting cannot return to school until they are healthy for 24 hours. Parents/guardians should follow medical professional and/or health department guidance regarding exclusion periods for communicable diseases.
Isolation & Quarantine	The District will follow current mandates/orders from federal, state, or local health agencies. In the absence of health department orders, the District encourages parents/guardians to follow current medical professional and/or health department guidance regarding exclusion periods for communicable diseases.
Vaccinations	The District does not require staff or students to be vaccinated against COVID-19. OCHD, MDHHS, and CDC recommend COVID-19 vaccination as the leading public health prevention strategy to end the COVID-19 pandemic as well as keep schools, extracurricular activities, and sports safely operational and in person.
