Up to 6 hours for the second year teacher: \$90

To receive credit/stipend, both mentors and mentees must submit the professional development log by the Friday before Memorial Day. Mentors should indicate their compensation preference on the log sheet.

**Section 11: Professional Development**

The school calendar shall meet the professional development requirements under Section 1527 of the Revised School Code.

Two professional development days in a given school year will be planned by the Curriculum Council, including but not limited to instructional coaches and teacher representatives from each building.

For all District provided PD and meetings qualifying for non-traditional SCECH, the District shall apply for SCECH credit where allowable.

**Section 12: Representation at Conferences**

Administration will consider leave with pay, not chargeable against the teacher's sick or personal leave, to attend educational conferences, workshops, and/or seminars. Administration will consider a reasonable number of teacher visitations for the purpose of viewing other instructional techniques and programs. The extent of teacher representation and visitation will depend upon the distance, the relevance, and the school budget. Teachers desiring to attend such conferences, meetings, or visitations should complete a conference request form, discuss it with the principal and then forward it to the Superintendent or Superintendent's designated representative for final approval. No event registration will occur prior to the final approval. Teachers are encouraged to share their new learning relative to the conference with their peers.

**Section 13: Parent-Teacher Conferences**

All teachers will also be expected to attend Parent-Teacher Conferences. These conferences shall be limited as follows:

- 1) The total hours per school year will be no more than sixteen (16) hours;
- 2) Each conference session may be up to four (4) hours per day;
- 3) Each building will limit conference days to no more than six (6) days per year.
- 4) Teachers will be allowed a reasonable break, up to fifteen (15) minutes, each conference day.

The district will set dates for the parent-teacher conferences within the first two-weeks of the school year with teacher input to give teachers and parents adequate time to plan and to attend.

The District will also compensate the eighteen (18) additional hours outside of contract hours (Meet the Teacher/Open House and Parent-Teacher Conferences) with two (2) teacher compensation days on the calendar.

## **ARTICLE 6. TEACHER PERSONNEL FILE**

During district business hours, a teacher shall have the right to review the contents of all personnel records (except those materials excluded from the definition of “personnel record” under the Bullard-Plawecki Employee Right to Know Act) maintained by the District pertaining to said teacher, with twenty-four (24) hours advance notice except in emergency situations where no notice is required. The teacher may choose to have a representative of the Association accompany him/her in such review.

## **ARTICLE 7. SENIORITY**

### **Section 1: Definitions**

A. “Seniority” shall be defined as the length of continuous service in the bargaining unit, measured from date the Board of Education approves the contract of the teacher, not including extra- curricular service.

1. A teacher on layoff shall continue to accrue seniority.
2. Leaves of absence taken pursuant to the Family and Medical Leave Act shall not interrupt seniority and shall be included in its determination. Return from leave of absence may be denied where the returning teacher is subject to layoff under the terms of this Agreement.
3. Each year, prior to November 1, the Superintendent, or his/her designee, shall prepare a seniority list and transmit a copy of same to the President of the Harper Creek Education Association and post a dated copy in each building. The names of all teachers at the time of preparation of the seniority list shall be listed in order of their seniority, starting with the teacher having the greatest amount of seniority.

Each teacher’s certification, major and minor fields and current assignments are to be included on this seniority list. The Association shall have thirty (30) days from the date of posting to allege any error or discrepancy in the seniority list. Otherwise, the list prepared by the Superintendent shall be conclusive.

In the event of ties in seniority, all teachers so affected will participate in a formal drawing to determine placement on the seniority list. The Association and bargaining unit members so affected will be notified, in writing, of the date, time, and place of the drawing. The drawing

shall be conducted openly and at a time and place that will reasonably allow affected bargaining unit members and Association representatives to be in attendance. The formal drawing will be conducted as such:

1. The District shall write consecutive numbers on equal size paper and material
2. Each teacher will draw a number
3. The teacher who draws the #1 will be placed higher on the seniority list. The teacher who draws #2 will be placed after the teacher who draws #1 and so on until all teachers who were approved by the Board of Education on the same date have been placed on the seniority list.

- B. “Certification” is defined as holding all certificates, endorsements licenses and/or approvals required by law and Michigan Department of Education regulation to serve in the position assigned. Further, it is the teacher’s responsibility to file such certificates, endorsements, licenses and/or approvals with the Board, and to ensure that the certification remains current.

A non-certified teacher meeting the requirements of Section 1233 b of the Revised School Code (or its successor provision) shall be considered to be a certified teacher for purposes of this contract, including application of standards of the discipline, serving a probationary period commensurate with that required under the Teachers’ Tenure Act and all rights and responsibilities afforded by this contract, except where not permitted by law or regulation of the Michigan Department of Education.

The teacher shall provide written notice to the Board and Association of any change to his/her certificates, endorsements, licenses or approvals after the original filing of same with the District. This shall include notice of any additional endorsements, certificates, renewals, approvals as well as expirations, revocations and any limitations thereon. The teacher shall further notify the Board and Association, in writing, in the event that he/she petitions the State Board of Education for nullification or limitation of his/her certificate, one or more endorsements thereon or a grade level certification appearing on the certificate.

- C. “Qualification” shall be defined as:

1. Holding a major/minor appropriate to his/her assignment and meets all applicable legal certification standards

## **Section 2: Certification and Qualifications**

- A. The Board discourages teachers from nullifying any endorsement on their teaching certificate. However, the Board acknowledges the right of the teachers to nullify such endorsements. The Board and the Association advise teachers who exercise this right that they may jeopardize and/or restrict their employment opportunities in the event of a reduction in work force (layoff). Any teacher who intends to nullify an endorsement shall provide the Superintendent of Schools and the Association with prior written notice of such intent to nullify his/her endorsement(s).
- B. Should a teacher seek to nullify or otherwise limit one or more endorsements or grade level certifications appearing on his/her certificate, the teacher, if tenured, will drop five (5) years from their current position on the seniority list. Their placement will be at the bottom of the said five years. If the teacher is non-tenured, they will be placed at the bottom of the seniority list below the least senior teacher.

## **Section 3: Fringe Benefits**

Any layoff shall suspend for the duration of the layoff the Board's obligation to pay salary or fringe benefits under any individual contract of employment or under this Agreement. However, a teacher shall be eligible to receive fringe benefits which are earned, but not received, prior to layoff. The District shall provide annual insurance payments in the same proportion as actual service days to total scheduled service days during the academic year in which the layoff is implemented.

Any employee laid off may, upon application and at his/her option and expense, continue enrollment in health insurance programs to the extent available under COBRA. Such continuation of insurance benefits shall be contingent on prior payment by the employee of the applicable policy premiums.

<b>ARTICLE 8. GRIEVANCE PROCEDURE</b>
---------------------------------------

## **Section 1: Definitions**

A grievance shall be defined as a claim by the Association that there has been a violation, misinterpretation, or misapplication of any express provision of Agreement.

## **Section 2: Knowledge of Grievance**

A teacher who believes he or she has a grievance shall first discuss the matter with his or her principal personally or accompanied by an Association representative or Association officer within five (5) school days after the teacher

has had knowledge or should have had knowledge of the occurrence of the event upon which the grievance is based. If the violation is recurring, the five (5) days shall begin at the start of the latest occurrence of the violation. It shall be the objective of both parties to resolve the matter in this informal manner. In the event the grievance is not settled in this manner, the following formal grievance procedure shall apply and there shall be no reference made in a teacher's personnel record as to any initiation of a grievance of said teacher.

### **Section 3: FIRST STEP**

Any grievance that is not settled as set forth in Section 2 of this Article or those grievances submitted by the Association shall be submitted in writing on the form provided by the Association to the principal of the school in which the grievance arises (Appendix D). All grievances shall state the following:

1. The Article(s), Section(s), and subsection(s)/paragraph(s) of the agreement alleged to have been violated.
2. A summary of the specific facts giving rise to the grievance.
3. The date of the alleged violation and when the grievant became aware of the violation.
4. Specific relief requested.
5. All grievances shall be signed by the grievant or any officer of the Association when the Association files a grievance.

All grievances shall be submitted to the principal within three (3) school days after the informal meeting described in Section 2 above or the occurrence of the event upon which the grievance is based for those matters submitted by the Association.

The principal shall give a written answer to the aggrieved teacher or the Association within two (2) school days after receipt of the written grievance. If the answer is mutually satisfactory, the grievant shall so indicate on the grievance form, sign it and return a signed copy to the principal.

By mutual agreement of the Superintendent and HCEA Grievance Chairperson, grievances may be initiated at the Second Step (Superintendent level).

### **Section 4: SECOND STEP**

If the grievance has not been settled in the First Step and if it is to be appealed to the Second Step, the grievant and/or the Association representative(s) shall notify the Superintendent in writing within six (6) school days after receipt of the principal's First Step answer of the desire to appeal. If such written request is made, the Superintendent (or his/her designee) shall meet with the grievant and/or Association representative(s) within five (5) school days to consider the grievance. The Superintendent shall provide a written answer to the aggrieved teacher and to the Association representative(s) within five (5) school days after

the date of this meeting. If the answer is mutually satisfactory, the Association shall so indicate on the grievance form, and sign it, and return a signed copy to the Superintendent.

### **Section 5: THIRD STEP**

If the grievance has not been settled in the Second Step and if it is to be appealed to the Third Step, the Association shall notify the Superintendent in writing within five (5) school days after receipt of the Superintendent's Second Step answer of the desire to appeal. If such appeal is made, the grievance shall be reviewed at a meeting between the Board [or its designated representative(s)], the Superintendent, the grievant, and the Association representative(s) within ten (10) school days after receipt by the Superintendent of the notice of appeal. A written answer shall be given by the Board (or its representative) to the aggrieved teacher and the Association representative(s) within fifteen (15) school days after the date of the Third Step meeting.

### **Section 6: Arbitration**

If the grievance has not been settled in the Third Step, the Association may submit the grievance, except as provided below, to arbitration provided such submission is made and served upon the District within ten (10) school days after receipt of the Third Step answer. These timelines may be extended if, by written mutual consent, both parties agree to use mediation to attempt to resolve the grievance.

- A. All matters submitted to arbitration shall be submitted to the American Arbitration Association in accordance with its Labor Arbitration Rules then obtaining within the time specified above and such rules shall govern the arbitration hearing. The arbitrator shall have no power or authority to alter, amend, add to, or subtract from the terms of this Agreement or to hear matters removed from the arbitrator's authority under this Agreement. Both parties agree to be bound by the award of the arbitrator and that the arbitrator's costs and those of the American Arbitration Association shall be borne equally between the parties.
- B. The arbitrator shall have no authority to rule upon the non-renewal or discharge of a probationary teacher or removal of a teacher from extra-duty positions.

### **Section 7: Failure to Meet Time Limits**

Grievances which are not appealed within the time limits specified in the above grievance procedure shall be considered to be withdrawn by the grievant and/or the Association. If the Board fails to meet the time limits, the grievance shall automatically proceed to the next level in the procedure. The above grievance

procedure affords the sole and exclusive remedy for complaints and grievances under the Agreement and the sole method of expression or communications of a view, grievance, complaint, or opinion on any matter related to this Agreement.

### **Section 8: Time for Discussions of Grievance**

The presentation and discussions of grievances provided for in this Article shall take place outside of the regular school hours except during the first two (2) steps of this procedure (Section 3 and 4 of this Article) which will be held during school hours so long as all persons involved could so meet without interference with their assigned duties.

### **Section 9: Time Limits/Vacations**

Monday through Friday shall be considered “school days” during the summer recess in determining the time limits set forth above.

### **Section 10: Association Knowledge**

Nothing contained herein shall be construed to prevent any individual teacher from presenting a grievance and having the grievance adjusted without intervention of the Association if the adjustment is not inconsistent with the terms of this Agreement, provided that the Association has been given opportunity to be present at such adjustment.

<b>ARTICLE 9. SUBSTITUTE TEACHERS</b>
---------------------------------------

Whenever a teacher is absent from school, for whatever purpose, reasonable efforts shall be made by the Administration to retain a qualified substitute, considering such factors as the availability of substitutes, the number of teachers absent, and the extent to which the District has received sufficient advance notice of teacher absence.

Regular teachers and counselors may be asked to substitute when sufficient non-bargaining unit per diem substitutes are not available. If they agree to substitute, they will be compensated under the options listed in Article 13, Section 7. Teachers and administrators shall cooperate in performing substitute services in the above circumstances.

## **ARTICLE 10. DISCIPLINE/STUDENT**

### **Section 1: Mutual Commitment**

The parties declare their mutual commitment to maintenance of control and student discipline. The Board and the Association recognize the maintenance of control and discipline in the classroom is a key ingredient in establishing an effective learning environment.

- A. The parties recognize the importance of teaching positive behavior and conflict resolution. However a teacher may exclude a student for the balance of the class period. If the student poses a safety risk or is extremely disruptive to the learning environment, the teacher will furnish the building administrator, as promptly as possible, a written summary of the full parameters of the incident. The parties recognize that special education students may not be excluded to the extent that such exclusion impacts the student's IEP, or otherwise violates state or federal laws.
- B. For persistent minimum offenses/ moderate offenses, teacher will submit in writing a summary of the purported misconduct to an appropriate building administrator. The building administrator shall have primary responsibility for issuing discipline, consistent with Board policies.
- C. For severe offenses, the District shall follow Board policy, state and federal law, with the intent of creating a safe learning environment for students and staff. Severe offenses that violate the law shall be reported to law enforcement immediately. The accused student shall immediately be removed from that staff member's classroom (i.e., classroom teacher/instructional paraprofessional) and/or caseload (e.g., social worker, psychologist, and/or counselor).

Staff members who are assaulted by a student during the execution of his/her duties will be allowed necessary respite time before returning to their professional duties for the remainder of the school day.

- D. Consistent enforcement of disciplinary procedures will be administered when student misbehaviors warrant it. The teacher will have attempted to remedy student behavior problems through the use of documented disciplinary procedures prior to seeking administrative assistance, not including cases which may cause imminent danger. This documentation will be recorded on the referral form, which will be available in all

buildings. Staff input shall be considered when administration makes disciplinary decisions.

- E. Administrative disciplinary decisions shall be communicated to the referring staff within forty-eight (48) hours following the written misbehavior referral provided the referral is made by the teacher on the day incident occurred or on the same day the teacher gained knowledge of the incident. These decisions may be emailed to referring staff. In the event that the referring teacher is dissatisfied with administrative discipline, the teacher may submit a written objection to the administrator who issued the discipline, within forty-eight (48) hours after receiving notice of the disciplinary determination.
- F. At the commencement of each school year, each building principal shall distribute to the staff written student disciplinary procedures, such procedures to be in accordance with applicable provisions of the Michigan Revised School Code. Staff and administration shall be responsible for following and enforcing these procedures uniformly.

It is understood that the above disciplinary procedures are subject to revision. Until revisions are formally adopted, building administrators shall continue to use the current disciplinary procedures to maintain consistent expectations within each building. In the event of such revisions, teachers shall be given written notice of same.

Not later than April 1 annually the Association shall forward to the building principals, in writing, any recommendations for revisions of student handbooks for the forthcoming school year. Prior to the adoption of revised disciplinary procedures, the district shall share with teachers in each building for the purpose of gathering feedback and making necessary revisions. A meeting to discuss feasibility of recommended changes will be held with the teaching staff and building administration by June 1.

## **Section 2: Reporting Incident**

- A. Any case of assault upon a teacher shall be promptly reported, in writing, to his/her building administrator. If a bargaining unit member is required to attend a legal procedure related to such incident, the member shall be granted paid leave for that purpose provided the bargaining unit member did not commit unprofessional conduct. Bargaining unit members acting within the scope of their employment responsibilities with respect to

maintaining control and discipline of students shall be given support and assistance by the District.

- B. Any case of assault upon a staff member arising out of the performance of the staff member's professional responsibilities at school or school sponsored functions shall be promptly reported to the Board or its designated representative. Student placement will occur only after a safety plan has been put into place to protect staff to the satisfaction of all parties involved.

## **ARTICLE 11. SHARED TEACHING**

### **Section 1: Definition**

A teacher may, with District approval, share a job with another certified and qualified teacher.

### **Section 2: Application**

Application to share a job shall be made prior to sixty (60) days before the beginning of a new semester of school.

### **Section 3: Seniority**

Accumulated seniority and leave days shall be carried into the job-sharing arrangement, in full by all teachers involved.

### **Section 4: Responsibility and Benefits**

Salary and benefits shall be prorated based on the percentage of working responsibilities. In the event such an arrangement is implemented during the school year, the sick leave accumulation shall be reduced proportionately for each participating teacher for the time period during which the arrangement is in effect.

### **Section 5: Board and Teacher Rights**

The Board reserves the right to accept or reject any job-sharing request or the continuation thereof.

### **Section 6: Substituting**

In the event one of the teachers agrees to substitute temporarily for his/her partner because the partner is temporarily absent, the substitute's pay shall be at the full per diem substitute rate. (NOTE: the full daily rate will be at the level

set by the Board of Education for each year during the term of this contract. The intent is to remit to the teacher, who substitutes for his/her partner, a full day's substitute pay for one half day of instructional services.)

## **ARTICLE 12. LEAVES OF ABSENCE**

### **Section 1: Sick Leave and Sick Leave Notification**

- A. Bargaining unit members shall receive ten (10) sick days per work year. Bargaining unit members working a portion of a year will earn this benefit pro-rata. Unused sick days will accrue to a maximum accumulation not to exceed one hundred fifty (150) days. Sick days may be taken in half-day or full-day increments.

A maximum of ten (10) days per school year may be used for a serious condition of the teacher's parents, current spouse or children. The definition of who qualifies as parents, current spouse and children shall be consistent with the Family Medical Leave Act. A medical note verifying the absence must be provided if administration suspects abuse.

"Serious condition" shall be defined as: major surgery, hospitalization for illness or injury, illness or injury requiring the services of a physician and which the attending physician considers sufficiently serious to require the employee to be present.

"Serious condition" shall not include: colds, sore throats, and minor illness except in the case of a minor dependent where the dependent is prohibited from attending school, daycare and other child care services.

- B. The following procedure for securing a substitute teacher shall be in effect in the Harper Creek Community School District:

The teacher shall notify the designated substitute service of the teacher's absence, online or by phone before 6 a.m. (HS and MS) or 7 a.m. (Elementary). The teacher shall also notify their building administrator (or his/her designee) by phone contact, voicemail, email, or text message.

- C. Any teacher who is absent because of an injury or disease compensable under the Michigan Workers' Disability Compensation Act and who has sufficient accumulated sick leave, shall have the right to receive from the Board the difference between the allowance under the Workers' Compensation Law and the teacher's regular salary for the duration of the illness, deductible from his/her accumulated sick leave. The teacher's accumulated sick leave shall be charged proportionately for the salary differential. Example: if Workers' Compensation benefits are equal to 60

percent of the teacher's gross daily wage, the teacher's sick leave shall be charged .4 (four-tenths) of one day for the differential.

- D. Each year, preceding the closing of school in June, each staff member shall receive from the Administration Office a statement of the teacher's sick leave status; that is, the number of sick leave days used during the current year and the number remaining to the teacher's credit at the time said statement is issued. The teacher must report any alleged errors within thirty (30) days after receipt of the statement. Otherwise, the statement shall be conclusive.
- E. Accumulated sick leave time shall terminate upon severance of employment.
- F. The Harper Creek Board will allow the transfer of up to a total of fifty (50) days from retired teachers' personal sick banks to the HCEA sick bank.
- G. Members can contribute no more than two (2) days to each bank per year. See HCEA By-laws for guidelines and formula. The District assumes no responsibilities for such procedures or decisions related to the use of the sick bank leave.
- H. Employees shall be given a bonus for attendance.

If a teacher uses three (3) or less sick days during the school year, the District shall pay the teacher a \$400 bonus at the end of the school year.

If a teacher does not use any sick days, the District shall pay the teacher an \$800 bonus at the end of the school year.

Notification to receive the compensation bonus must be received in writing to the Business Office within five (5) business days after the last day of school.

Donations to the HCEA Sick Bank are not included in the bonus determination and cannot be used to disqualify an employee from receiving this bonus.

## **Section 2: Personal Leave**

- A. Two (2) days per year shall be granted for purposes of personal leave. Generally, personal leave should be used in situations of emergency for purposes of conducting personal business which is impossible to conduct on weekends, after school hours, or during vacation periods.

- B. Teachers desiring to use personal leave shall notify Administration by a written form provided by the District at least two (2) school days in advance of anticipated absence, stating the day(s) to be used for personal leave. After the submission of the form, the teacher shall appropriately notify the substitute teacher service. In the case of an emergency, leave can be approved by the Superintendent or his/her designee.
- C. Personal leave shall not be granted on the opening or closing days of school, or on the day prior to and following a vacation period, unless an emergency exists, and utilization is approved by the building principal.
- D. A teacher shall not use personal leave days on consecutive work days except in the case of extenuating or unusual circumstances when the use has received the prior approval of the Superintendent or his/her designee.
- E. Unused personal leave shall be credited to the teacher's sick leave accumulation.

### **Section 3: Bereavement Leave**

Not more than five (5) days bereavement leave may be used in the case of the death of parent, spouse, child, step-child, sister, brother or any other person living in the same residence or who is an IRS dependent of the employee. Not more than three (3) days bereavement leave may be used in the case of the death of a grandparent, grandchild, aunt, uncle, mother-in-law, father-in-law, brother-in-law, sister-in-law or person to whom employee was engaged to marry. Not more than one (1) day sick leave may be used in the case of the death of any relative not listed.

It is expressly understood that limitations mentioned are for each such occurrence.

### **Section 4: Military Leave**

A military leave of absence shall be granted to any teacher who shall be inducted or shall enlist for military duty in any branch of the Armed Forces of the United States and consistent with the FMLA. Leave for military care giving and exigencies also shall be granted consistent with the FMLA. Upon return from such leave the teacher shall be entitled to re-employment as provided by State and/or Federal law.

### **Section 5: Court Appearances**

A leave of absence may be granted a teacher called for jury duty service or where a teacher receives a subpoena for attendance at court in connection with the teacher's school job responsibilities. If the subpoena involves a non-school-

related matter, a teacher may use up to one (1) leave day which shall not be charged against the teacher's credited leave accumulation. If the subpoena is continued by the Court or re-issued for more than one day, the teacher may use up to three (3) sick days for attendance at Court in such circumstances.

Leave shall not be available where the teacher has been subpoenaed to court in a matter where the teacher and/or Association are adverse parties to the School District and/or Board.

When leave is available under the above provisions, the Board shall pay an amount equal to the difference between the teacher's daily salary and the daily jury or witness fee (not including travel allowances or reimbursement of expenses) for each day on which the teacher reports for or performs jury duty or is subpoenaed into court and on which the teacher otherwise would have been scheduled to work. Such leave shall not be charged against the teacher's credited leave accumulation, except as otherwise specified above.

#### **Section 6: Parental and Family Medical Leave**

- A. An unpaid leave of absence shall be granted to a teacher for the purpose of child birth or the care of a new child into the family. The bargaining unit member must have worked for the District at least one year to qualify for this leave. Such leave shall be taken within the twelve (12) month period immediately following the birth or adoption of a bargaining unit member's child. The length of leave under this paragraph shall not exceed twelve (12) months, renewable at the discretion of the Board. The first twelve (12) weeks of this leave may run concurrently with FMLA leave, for eligible bargaining unit members.
- B. The District shall observe FMLA leave for all eligible bargaining unit members. The leave may be concurrent with paid leave. The leave year shall be calculated on a rolling forward basis.
- C. Where a bargaining unit member, his/her spouse, child or parent has a serious health condition, an unpaid leave of absence shall be granted for a period of up to twelve (12) weeks, renewable at the discretion of the Board.
- D. A teacher adopting a child (children) or having a child (children) placed with him/her for foster care purposes shall begin his/her leave at any time between entry of a court order awarding custody and twelve (12) months after the child arrives in the home.

- E. In order to provide continuity within the classroom between pupil and teacher, the teacher shall notify the Superintendent in writing of his/her desire to take leave under this Article. The letter requesting leave shall include the proposed commencement date of the leave and the date of return. Except in the case of an emergency, teachers shall give such notice at least thirty (30) days prior to the date on which the leave is to begin.
- F. In the case of an adoption or foster care placement, a copy of the order awarding custody to the teacher shall be provided to the administration if requested in connection with a teacher's application for leave for those purposes. When leave is taken under this Article to care for a teacher's seriously ill spouse, child or parent, or due to the teacher's own serious health condition, the teacher will, upon administrative request, provide medical certification from a health care provider supporting the necessity for the leave.

Teachers taking leave under this Article for medical and/or psychological reasons shall provide, at the Board's request, appropriate verification of the necessity for leave and the teacher's fitness to return to duty at the conclusion of the leave. The Board has the right to require that a second opinion (at the Board's expense) be obtained. If that opinion differs from that of the teacher's health provider, the health provider, the teacher and administration (in consultation with the Association, if requested by the teacher) shall mutually designate a third health provider whose opinion relative to leave eligibility or initial fitness to return to work shall be considered final and binding on the Board, teacher and Association. The cost of this examination shall be paid by the Board.

- G. A teacher who is disabled may continue in active employment provided he/she continues to perform his/her regular duties satisfactorily.
- H. All or any portion of a leave taken by a teacher because of a medical disability connected with or resulting from her pregnancy may, at the teacher's option, be charged to her available sick leave in accordance with State and Federal laws.
- I. The teacher shall, upon his/her return, be placed consistent with the FMLA on the salary schedule at the step attained prior to such leave. For purposes of this Agreement, restoration to a bargaining unit position for

which the teacher is certified and qualified shall be considered as restoration to an equivalent teaching position.

- J. The Board and the teacher agree to cooperate in scheduling commencement and return from leave at a time which minimizes disruption to the continuity of educational programming and service delivery.
- K. The Board of Education will continue premium payments for health care benefits up to twelve (12) weeks for a teacher who has been granted an unpaid leave under this section. The employee will still be responsible for their share of their premium contribution. If the teacher fails to return from leave at its expiration (except in the event of the continuance, onset or recurrence of a serious health condition of the teacher or other circumstances beyond the teacher's control), the Board shall have the right to recover all premium payments made during the unpaid leave interval with the exception of those premium payments attributable to the use or substitution of paid leave. These amounts may permissibly be deducted from any wage or other payments due the teacher, with any deficiency to be remitted by the teacher to the Board within five (5) days of demand.
- L. The Board may hire substitute teachers to replace bargaining unit members granted leaves under this section.

## **Section 7: Voluntary Leave**

- A. A tenure teacher may be allowed to take an unpaid voluntary leave for a period not to exceed one (1) year without loss or gain in seniority. Such leave must be in accordance with Article 7-Reduction in Staff.
- B. The Board agrees to provide for unpaid voluntary leave with the stipulation that there be no financial obligation as related to salary or fringe benefits while such person is on leave and provided that a certified and qualified replacement is available to insure that the quality of student instruction would not be diminished.
- C. It is agreed that the teacher may continue his/her insurance coverages during the leave by paying premiums to the District in accordance with the District's policies and time lines, to the extent permitted by the respective carriers.

- C. Requests for leave must be in writing and received not less than ninety (90) calendar days prior to the commencement of the leave, except in emergency situations where the Superintendent may approve the leave on shorter notice.

### **Section 8: Political Leave**

The Association and District will follow the requirements of Act 169 of 1976, MCLA 15.401, et seq.

### **Section 9: Sabbatical Leave**

- A. The Board may grant yearly sabbatical leaves at one-half ( $\frac{1}{2}$ ) salary for two (2) tenure teachers who wish to pursue graduate work on a full-time basis, not to exceed one (1) year in duration. Where the Board is required to grant a sabbatical leave in accordance with Section 1525 of the Revised School Code or its successor provision, there shall be no obligation to continue the salary or other compensation of the teacher. Where a teacher takes sabbatical leave under Section 1525 of the Revised School Code, the Board shall consider allocating a stipend for the instructor from professional development funds.
- B. A teacher, upon return from a sabbatical leave, shall be restored to his/her former position, or to a position on the salary schedule, as he/she would have been, had the teacher taught in the District during such period. All teachers who accept sabbatical leaves shall agree to work in the District the school year following the sabbatical leave.
- C. Sabbatical leaves shall be granted only at the discretion of the Board of Education on the recommendation of the Superintendent.

### **Section 10: Planned Leave**

If school is closed due to any reason and a teacher had a planned leave day scheduled, the teacher will not be charged for the leave day requested.

<b>ARTICLE 13. SALARY SCHEDULES</b>

### **Section 1:**

Any bargaining unit non-K-12 teachers shall be placed upon the BA or MA salary column (as appropriate to their degree and credit status) with a maximum placement of Level 6 (as appropriate to their credited teaching experience).

**2022-2023****3.0%** increase on all steps; all teachers move up one step.

Teachers shall be reimbursed by compensatory time for substituting, at the request of the principal, for an absent teacher.

Compensatory leave shall not be granted on the opening or closing days of school or on the days prior to and following a vacation, holiday or recess period. The administration reserves the right to limit the number of teachers taking compensatory time on a given day, considering the availability of substitutes.

### **Series 5000: Students, Curriculum, and Academic Matters**

#### **5400 Curriculum, Instruction, and Parent/Guardian Involvement**

##### ***5418-F Grade Change Procedure***

Consistent with Policy 5418, the Superintendent establishes the following procedures to address requested grade changes:

- A. Grade changes will only be considered within 10 school days of the completion of a reporting period for final term grades.
- B. The grade change request will first be submitted to the student's teacher of record. If the teacher declines to provide written grade change authorization as requested, the student's parent/guardian may appeal the teacher's denial in writing to the building administrator or designee.
- C. The building administrator or designee will review the grade change request in light of applicable Board policies (e.g., attendance, discipline) and applicable grading guidelines (e.g. curricular standards, IEP considerations, MMC standards, accreditation standards).
- D. The building administrator or designee will further review the request in light of extenuating personal or academic circumstances asserted by the student or parent/guardian/representative/official.
- E. Following the above review, the building administrator will take action upon the request. Actions may include: (a) granting the request; (b) denying the request; or (c) taking such other action as is appropriate, in light of applicable policies, guidelines, and extenuating circumstances (e.g., granting the request only upon completion of missing or ~~extra~~ modified assignments within a reasonable time).
- F. Grades shall not be adjusted for the intended purpose of allowing a student to participate in sports or extracurricular activities, unless the teacher consents.
- G. The building administrator or designee's review should be completed within 10 business days of its receipt, absent extenuating circumstances.
- H. The building administrator or designee will notify the student's parent/guardian in writing of the appeal's disposition within two days of completion of the appeal's review.
- I. The building administrator or designee will issue a decision about grades. If a student/representative or teacher disagrees with a building administrator's decision to change a grade, the matter may be appealed to the superintendent or designee for a final decision.

**Re: Teacher Discipline**

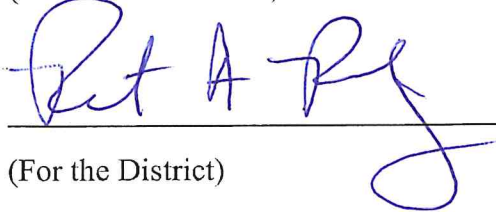

The parties agree as follows:

1. The Association and District are parties to a collective bargaining agreement that is in place until June 30, 2025.
2. Teacher Discipline has become a subject that may be collectively bargained under Michigan Law, and the parties have engaged in good-faith bargaining on this issue.
3. Concerning teacher discipline, the parties agree as follows:
  - For tenured teachers, consistent with the Teachers' Tenure Act, discipline may only be issued for non-arbitrary or capricious reasons and the parties subscribe to the concept of progressive discipline as required by law. Disciplinary measures should include remedial training where appropriate. The district reserves the right to apply disciplinary measures consistent with the severity of the infraction.
  - Any specific complaint toward a teacher, which warrants investigation, shall be called to the teacher's attention. Complaints not resulting in discipline will not be placed in the employee's personal file.
  - All discipline will be in writing and placed in an individual's personnel file, and the teacher will be forwarded a copy.
  - Probationary teachers cannot grieve discipline. Tenured teachers may only grieve discipline up to arbitration.
  - Employees shall have full Weingarten Rights. New hires and teachers will be notified of their Weingarten Rights annually.
4. This Agreement does not constitute the establishment of a precedent, custom, practice, or binding working condition as to the interpretation, enforcement, or application of this Agreement between the parties, or any successor labor agreement between them as to any situation or circumstance other than the matter specifically addressed in this Agreement.
5. By entering this Agreement, neither the Board nor Association waive any other rights or protections respectively afforded to them by the terms of the CBA, except as otherwise specifically waived, modified, or relinquished.
6. To the extent that this Agreement conflicts with the parties' current CBA, this Agreement shall control to the extent of such conflict.

**Re: Placement, Layoff and Recall, and Evaluation of Teacher of Record**

**Appendix D**

Decisions about placement, reduction/recall, and evaluation of a “teacher” under Revised School Code Section 1249, or who is assigned to students in any grades DK to 12 (including qualified pre school) as a teacher of record (“TOR”) will be made by the following. The parties agree that the procedures established in this Appendix for placement and reduction/recall constitute clear and transparent procedures as required under Revised School Code Section 1248.

1. ***Placement of TORs.*** The Superintendent or designee decides placement decisions, when a vacancy exists, and when a posting is made. Consistent with Revised School Code Section 1248, TOR placement decisions will be made by the Superintendent or designee in their discretion based on the following factors:
  - A. Staffing the curriculum with the most effective and qualified Teachers to instruct the applicable courses and grade levels.
  - B. Appropriate certification, approval, or authorization for all aspects of the assignment. The certification, approval, or authorization, is determined by the Revised School Code, MDE’s Teacher Certification Code, MDE’s Rules for Special Education Programs and Services, and other applicable statutes and regulations.
  - C. TOR placement decisions must be made based on effectiveness criteria established by Revised School Code Section 1249.
  - D. TORs must be fully qualified for all aspects of their assignments, as determined by the Board, based on documentation on file with the Superintendent’s office, including but not limited to:
    - i. Compliance with applicable state or federal regulatory standards, including standards established as a condition to receipt of foundation, grant, or categorical funding;
    - ii. Credentials needed for District, school, or program accreditation;
    - iii. District-provided professional development, training, and academic preparation for an instructional assignment that is anticipated to

contribute to the teacher's effectiveness in that assignment and is integrated into instruction;

- iv. Relevant special training, other than professional development or continuing education as required by state or federal law, and integration of that training into instruction in a meaningful way;
  - v. Disciplinary record, if any;
  - vi. Seniority in grade level(s) or subject area(s);
  - vii. Recency of relevant and comparable teaching assignments;
  - viii. Previous effectiveness ratings;
  - ix. Punctuality and habitual use of unexcused days not protected by FMLA, ADA or other state or federal law;
  - x. Positive or negative rapport with colleagues, parents, and students;
  - xi. Compliance with state and federal law; or
  - xii. Any other reason that is not arbitrary or capricious.
- E. Seniority may be considered as a tiebreaker if a TOR placement decision involves 2 or more teachers and all other distinguishing factors are equal.

## **2. *TOR Reduction/Recall.***

- A. Acting within the approved budget, the Superintendent is responsible for establishing the number and nature of teaching assignments to implement the approved curriculum. If the Superintendent determines that insufficient funds are budgeted for the existing staff or that a reduction in staff is necessary due to program, curricular, or other operational considerations, the Superintendent will recommend to the Board the positions to be reduced.
- B. Reduction and recall decisions must be made based on TOR effectiveness criteria established in Revised School Code Section 1249 and this Appendix.
- C. TORs must be fully qualified for all aspects of their assignments, as determined by the Board, based on documents on file with the Superintendent's office, including but not limited to:
  - i. Compliance with applicable state or federal regulatory standards, including standards established as a condition to receipt of foundation, grant, or categorical funding;
  - ii. Credentials needed for District, school, or program accreditation;

- iii. District-provided professional development, training, and academic preparation for an instructional assignment that is anticipated to contribute to the TOR's effectiveness in that assignment and is integrated into instruction;
  - iv. Relevant special training, other than professional development or continuing education as required by state or federal law, and integration of that training into instruction in a meaningful way;
  - v. Disciplinary record, if any;
  - vi. Seniority in a grade level(s) or subject area(s);
  - vii. Recency of relevant and comparable teaching assignments;
  - viii. Previous effectiveness ratings;
  - ix. Punctuality and habitual use of unexcused days not protected by FMLA, ADA or other state or federal law;
  - x. Positive or negative rapport with colleagues, parents, and students;
  - xi. Compliance with state and federal law; or
  - xii. Any other reason that is not arbitrary or capricious.
- D. Seniority may be considered as a tiebreaker if a TOR placement decision involves 2 or more teachers and all other distinguishing factors are equal.
- E. TORs must provide the District with current information and documentation supporting the TOR's certification and qualifications.
- i. Reduction and recall decisions will be based on the TOR's certification and qualifications in the District's records at the time of the decision.
  - ii. A laid off TOR must maintain current contact information (address, phone, and personal email address) with the Superintendent's office.
  - iii. Failure to maintain current contact information may negatively affect the teacher's recall.
- F. TOR reduction and recall decisions are made by formal Board action.
- G. The Superintendent or designee will provide written notice of reduction in force or recall decisions to each affected TOR and Association within 30 days before the effective date.

#### H. TOR Recall Process

- i. A TOR is eligible for recall under this Appendix for 18 months from the date the District implemented the reduction in force.
- ii. The Superintendent will first identify the grade level(s), academic level(s) or department(s) with a teaching vacancy.
- iii. Before or in lieu of initiating the recall of a laid-off TOR, the Superintendent may reassign a teacher to fill vacancies in accordance with this Appendix.
- iv. After or in lieu of any reassignment of existing teaching staff, the Superintendent may fill a vacancy by:
  - a) Recall the laid-off TOR who is certified and qualified for the vacancy if that TOR's most recent year end evaluation was at least effective. If more than 1 laid-off TOR is certified and qualified for recall to a vacant teaching assignment, the Superintendent or designee will fill the vacancy consistent with this Appendix; or
  - b) Posting the vacancy and considering all applicants if the Superintendent determines that the District's educational interests would be served and no TOR on layoff meets the certification and qualification requirements for the position.
- v. The Superintendent or designee will provide written notice of the Board's recall decision to any recalled TORs and will establish the time within which a TOR must accept recall to a full time position to preserve the TOR's employment rights.
- vi. A laid-off TOR who is recalled and does not accept recall by the time specified in the recall notice, or who does not report for work by the deadline specified in the recall notice after filing a written acceptance of recall with the Superintendent, will forfeit all rights to recall and continued employment unless the Superintendent, in the Superintendent's sole discretion, has extended the time limit in writing.

#### 3. *TOR Evaluation.*

- A. A TOR will be evaluated pursuant to the Thoughtful Classroom performance evaluation system. The District will measure student growth as 20% of the evaluation. For the 2024-2025 School Year, student growth will be determined pursuant to the following process:

- By September 30, each grade level/subject area will forward to their respective principals the recommended metric for establishing the student growth component of the evaluation.
  - By October 15, the respective principals shall accept or reject the recommended metric.
  - If rejected, the parties will meet and attempt to reach consensus by October 31. If consensus is not reached, the metric utilized the preceding year will be utilized for the upcoming year.
- B. Student growth data from specific students with extreme circumstances that prohibit an accurate measure of growth will not be included in a Teacher's student growth component if written consent is provided by the Teacher's principal/evaluator.
- C. Prior to classroom observations, the teacher shall be provided a copy of the district evaluation form and an explanation of how the observation process works.
- D. If a tenured teacher has been rated "highly effective" or "effective" for three (3) consecutive year-end evaluations, they shall be evaluated every third year thereafter. If a teacher exhibits performance deficiencies (excluding "missed opportunities") and is placed on an IDP, or is subsequently rated below "effective" on a year-end evaluation, the Teacher may in the district's discretion be evaluated annually until receiving an "effective" rating for an additional three (3) consecutive years. The District and Association shall meet prior to September 15 to comprise a list of tenured teachers and their evaluation status for the 2024-2025 school year.
- E. Probationary Teachers cannot challenge any aspect of the evaluation process, including observations, the IDP, the mid-year performance review or their assigned rating.
4. **Grievance Procedure.** An alleged violation of this Appendix is not subject to arbitration in the grievance process. An Arbitrator, however, has jurisdiction to consider a grievance filed under the grievance procedure by a tenured TOR who receives two (2) consecutive ratings of "needing support."

 This Agreement does not constitute the establishment of a precedent, custom, practice, or binding working condition as to the interpretation, enforcement, or application of this Agreement between the parties, or any successor labor agreement between them as to any situation or circumstance other than the matter specifically addressed in this Agreement.

By entering this Agreement, neither the Board nor Association waive any other rights or protections respectively afforded to them by the terms of the CBA, except as otherwise specifically waived, modified, or relinquished.
